

BOWLS MATCH

*Sunday 13th August
Runcton Holme Bowls Club*

The bowls green had clearly benefitted from the rainfall this year, displaying healthy lush grass rather than the dried yellow straw encountered in 2022.

Players were on good form, especially Issy, President Lee Dawson's youngest daughter. Her debut performance was outstanding!

Valerie's exceptional cakes and savouries were enjoyed by all. A huge thanks goes to the Runcton Holme Bowls Club for hosting, entertaining and advising throughout the day and providing a fabulous cold salad buffet with desserts.

Funds raised at the event were split between the bowls club and the President's Charity generating a fantastic £550 for ABF The Soldiers' Charity.
